## PRAISE

"Few modern voices are as powerful as Marc Broussard's **soulful bayou-bred baritone**"  
- The Washington Times

"The guy can really sing with **power, nuance, and class.** I'd listen to him hum a few pages"  
- Los Angeles Times

"A blue eyed soul singer with a broad, soulful voice nicely scraped around the edges. Somewhere between country and soul, he slipped through the crack which has left him codly, and wrongly, underappreciated."  
- New York Times
